Pre and Post-Conference Marketing
As soon as Botany 2011 processes your application to exhibit, a link to your company’s web site will be posted on the official conference web site (www.2011.botanyconference.org) and will remain active for as long as the link is live after the conference. Beginning January 2011, when the Abstract Submission site and Online registration sites are live, your banner ad will also appear on these sites with direct links to your company website.

In addition, we constantly update the 2,500 (and counting) Facebook “fans” and 250 Twitter followers we have, including information on our sponsors. This gets your message and brand to hundreds and hundreds more people outside of the conference, and we’re happy to work with our vendors in tailoring messages, providing any special offers or incentives to those fans.

As always we will make the Exhibit Hall the hub of the meeting with Continental Breakfast, Coffee Breaks and Afternoon breaks as well as the Poster Session on Monday evening and a light reception.

Bring attendees to your Booth - Interested Sponsors and Exhibitors can offer prize drawings for all attendees visiting the Exhibitor’s Hall. As attendees visit your booth, invite them to put their business cards in a bowl (you supply); the cards are yours to keep. We will have a pre-determined time for give-away announcements.
